SUMMARY

Dynamic and results-driven Principal Product Manager with over 18 years of experience in the banking and finance sector. Proven expertise in developing and scaling core banking solutions, notably Infosys Finacle, achieving significant growth in global installations. Committed to driving innovative product strategies and delivering exceptional customer value.

WORK EXPERIENCE

Infosys Ltd. - Principal Product Manager

2015-Present

Led the development and expansion of Infosys Finacle, increasing installations from 10 to 105 across multiple geographies. Enhanced product features to meet diverse banking needs, resulting in a 30% increase in customer satisfaction. Collaborated with cross-functional teams to streamline product development processes, reducing time-to-market by 20%.

Infosys Ltd. - Senior Product Manager

2010-2015

Managed product life cycle for Infosys Finacle, overseeing major product enhancements and upgrades. Played a key role in the strategic planning of product roadmaps, aligning them with market demands and trends. Achieved a 15% growth in market share through successful product positioning and partnerships.

Infosys Ltd. - Product Manager

2006-2010

Coordinated with global teams to customize Finacle solutions for diverse banking customers. Implemented agile methodologies, improving product development efficiency by 25%.

Infosys Ltd. - Business Analyst

2004-2006

Gathered and analyzed business requirements to support product development for Infosys Finacle. Facilitated workshops and client meetings to ensure alignment of product features with customer needs.
